August 24, 2008

The Western Carolina Quality Deer Management Program (www.growinbucks.com) & our e-mail address is (www.growinbucks@yahoo.com), presents its 6th annual deer expo. The expo will be held March 13th, 14th and 15th, 2009 at the Western North Carolina Agriculture Center (www.wncagcenter.org) located at 1301 Fanning Bridge Rd., Fletcher, NC 28732.

SHOW-TIME will be: Friday March 13th - 12 pm - 8:00 pm, Saturday March 14th - 10:00 am - 8:00 pm and Sunday March 15th - 1:00 pm - 6:00 pm.

Setup date for vendors will be March 12th from 9:00 am until 9:00 pm.

The expo is an educational event geared toward Wildlife & Habitat management, particularly the white-tail deer. There will also be a B-B- gun and a Bow shoot to introduce the young folks to the hunting and shooting sports.

The program will have raffles during the expo and a live auction on Sunday March 15th. Tentative time for live auction is 5:00 pm.

We plan to have folks from the North Carolina Wildlife Resources Commission and other biologist at the expo to answer your questions. Also, people from County Extension Services will be there to help with food plots and soil preparation.

The expo will be heavily advertised by Clear Channel Radio (Kiss Country 99.9) and (Rock 104.9) and billboards will be displayed across western NC.

The expo is an excellent opportunity for vendors to promote their businesses, sell their products, and meet new friends and future customers.

The expo will feature educational clinics and/or seminars by guest speakers. Speakers will be announced at a later date.

Sincerely,
